REMINDERS:

- Candidates are asked to make this sacramental preparation a priority for these few months. Attendance is imperative. We do have some make-up dates, **but candidates will only be allowed 2 make-ups**. Candidates will be asked to reconsider joining the process this year if this calendar has more than two conflicts.
- Note that **March 24 is mandatory** and cannot be made up.
- **Sponsors** should be chosen no later than 11/5 (see meeting schedule).
- **Sponsors** must be over 21 years of age and a confirmed Catholic
- **Sponsors** can be a relative, family friend, teacher, parent of a friend etc. but **cannot be** the candidate's parent (or stepparent). If a candidate needs help finding a sponsor, please let Jenny know.
- **Sponsors** should be local to best support the candidate; meetings throughout the process to discuss topics is ideal – long distance sponsors are strongly discouraged.
