PASTOR'S CORNER

Dear Parishioners,

Over the past month we have begun assessing the safety and security of our facilities, especially church and school. In a world where violence seems to thrive, it's a sad but necessary task to remain vigilant and update policies, procedures and facilities as needed. Our school leadership have worked hard to build on already safe and secure facilities and procedures, and we are proceeding similarly with the church.

One of the things we heard recently in a security audit is the need to familiarize everyone with the facility, especially the exits. It's one of those things we might think we already know, but it certainly bears review and reminding. As you hear when boarding a plane, take a moment to identify the nearest exit when you arrive at your seat in church. It's good preparation that is a part of creating a safe and secure environment for everyone.

In the coming months, you will hear more about such concerns in terms of intruder, fire and tornado safety. We want Visitation to be a place that is as safe as it is prayerful, welcoming and beautiful.

Peace - Fr. Greg

SOCIAL CONCERNS

Thank you for keeping our medical delegation in your prayers last weekend. The team had a wonderful week. Over 400 patients were seen in the clinic, and the donations of medication, canes, toothbrushes and financial support truly made a difference. If you have any questions for the medical staff, reach out to

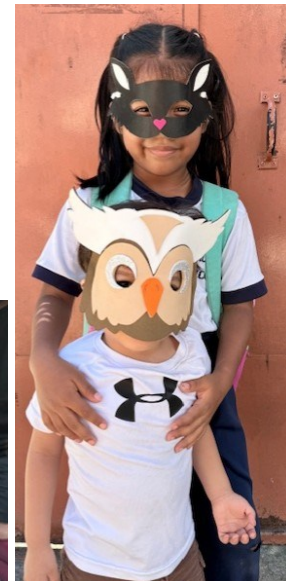

Dr. Bob St. Peter, Dr. Erin O'Laughlin, Jan Fakoury, RN, or Becky White, P.T. Bob Steinert was able to distribute more of his well-loved books, *La Chica La Chacra*, and Janie Palmer selflessly served in the pediatric clinic, assisting Dr Bob. For the first time, we took a parishioner who is a professional medical interpreter, Ivette de la Paz. Next October, we will be planning another medical delegation. If you are considering the experience, please save the date.

Thanks to your generous financial contributions, we were also able to purchase a wheelchair for the clinic, which will be very helpful in transporting patients with mobility challenges.

We concluded the trip with a visit to the memorial site of the Maryknoll Martyrs of El Salvador- Sisters Ita Ford, M.M. Maura Clarke, M.M., Dorothy Kazel, O.S.U., and lay missionary Jean Donovan. These four American women were murdered on December 8, 1980m just eight months after the assassination of St. Oscar Romero, the Archbishop of San Salvador. Like Romero, they gave their life in service to the poor

and as a witness to their faith.

To the right, a green rectangular box contains the event details in bold, yellow and white text. At the bottom, a black banner with yellow text provides the volunteer sign-up link.
