

VISITATION RESPECT LIFE

Dignity for Expectant Mothers Drive for Mary's House

Simple acts of kindness provide the dignity expectant mothers deserve.

This Mother's Day, May 8, Visitation's Respect Life Committee will begin collecting donations for *Mary's House*, a residence for homeless pregnant women seeking emotional, material & spiritual assistance. Women can reside at Mary's House for up to two years post-delivery while acquiring training and learning skills necessary to raise children and maintain employment in a healthy and stable home environment. Mary's House is a local outreach of the Gabriel Project, a national organization whose mission is to provide confidential, compassionate outreach to women in crisis facing unplanned pregnancies.

MARY'S HOUSE SUGGESTED DONATION ITEMS:

NEW BABY TOYS - INFANTS TO 24 MONTHS
