SPECIAL ANNOUNCEMENTS

WITHIN OUR COMMUNITY

PRIESTHOOD SUNDAY

Priesthood Sunday is next Sunday, September 24. It is a special day set aside to honor priesthood in the United States and a day to reflect upon and affirm the role of the priest as central to the life of the Church. In a way this is a "Father's Day," for Father Greg, our spiritual leader. Drop Father Greg a note or offer him a few words of appreciation if you have a chance next weekend. This nationwide event is coordinated and sponsored by the Serra Club, an organization of lay men and women whose mission is to foster and affirm vocations to the ministerial priesthood and vowed religious life in the USA.

PASTOR'S CORNER

Dear Parishioners,

My first couple of months have been marked by abundant Visitation hospitality! I've received so many invitations to lunch, happy hour, dinner and other events, and I have so enjoyed those times. Thank you. It is so delightful to get to know the people of Visitation and to realize ever more fully how blessed and faith-filled our parish community is.

It dawned on me earlier this year that most events in the Gospel take place outside the temple, that Jesus is very social and very much a part of the community he inhabits. He does teach and heal in the temple, but he also joins the party in people's homes, on the seashore, in the garden and on the plain. I love that. It highlights the holiness inherent in our gatherings and celebrations, that being together is always an occasion of God's presence, that God dwells among us when we gather, and that wisdom, mercy, healing and peace abound.

As so many ministries have resumed this fall, including Visitation School, RCIA, Mothers of Young Children, Choir, Confirmation and so much more, there is a great spirit of energy and vitality in our buildings and around campus. What a lively, dynamic community Visitation Parish is! I'm impressed with and grateful for the abundance of gifts in this community, and for the generous stewardship that animates it all!

Peace,

Fr. Greg

SHAMROCK SNAPSHOT

6th Grade Students Honor and Commemorate the Tragic Events of 9/11:

In concert with the reading of *The Day the World Came to Town* by Jim DeFede, 6th grade students created presentations to share information with different grade levels about the events surrounding 9/11.

Students re-imagined the 9/11 Memorial Fountains and built a model of them in the Courtyard at school. All students were given a small white rose to place, as a way of paying tribute to the lives lost.

This group of students also researched information about the Memorial itself and shared that information with a variety of grade levels in short informercials they presented on Friday, September 8.

Students learned about the "Survivor Tree" and read/shared picture books with many grades to allow students, at all levels, to understand this amazing story of a tree surviving the collapse of the Twin Towers, and now thriving at the Memorial site. Students also orchestrated the task of assigning 10 names to every student in the school so that "lives lost" name cards could be created to hang on the model of the Survivor Tree in the lobby.
