## SISTER PARISH

### Thank You Visitation!

Thank you, Visitation, for making Padre and Wendy feel so welcomed by our parish community! They began the visit at the parish office where they met Monsignor and Alejandro to discuss the weekend liturgies, followed by a luncheon with the office staff. The next day, they were able to visit the school where many of the classes prepared songs in Spanish to share with Padre and Wendy. The 7<sup>th</sup> grade students presented books collected at the annual book fair and gifts and blessed them with a special prayer they learned in Spanish. On Friday evening, a reception for the Madre Steering Committee members was well attended by long time Madre supporters along with many new members of the Committee. Mary Lipari, who hand writes the translations to every letter from the sponsored children and to sponsored children came and was able to meet Padre for the first time! Padre did a wonderful job addressing our community at weekend Masses with our own parishioner, Ivette de la Paz, interpreting for him. Saturday night, after the 4:00 pm Mass there were several people who joined the Steering Committee in Tighe Hall to break bread together. Thank you, Bill Staggs, for photographing the event! Finally, after the 10:30 Mass on Sunday, Wendy presented Monsignor with a beautiful hand made stole with both Madre and Visitation logos and the image of Saint Oscar Romero and a handmade picture representing the 35 years we have been in a sister parish relationship with them! Your kindnesses and support is a beautiful witness of our Church “doing bigger things together” as Padre said so perfectly this weekend.

Thank you again,

Madre Steering Committee

## RACIAL JUSTICE

**All Are Invited to Film Event on May 24 at 7:00 pm in Tighe Hall**

George Floyd's death was a moment for our country and many among us to examine our collective and individual consciences and renew efforts to build a more racially just country. The work of the parish Racial Justice Committee was borne of that pain and for the past two years the committee has worked educate ourselves and to raise awareness of issues disproportionately affecting people of color.

On **Wednesday evening, May 24**, the RJC invites parishioners and friends to join them in Tighe Hall to view *Aftershock*, an award-winning 2022 documentary highlighting the US maternal health crisis. The 90-minute film will begin at 7:00 pm, followed by the opportunity for a 30-minute discussion.

In a recent article, KCUR's Noah Taborda notes "between 2018 and 2020, Missouri had the 12th highest maternal mortality rate in the country, and Kansas had the 17th highest, according to the Kaiser Family Foundation. In 2020, Kansas had the 12th highest infant mortality rate and Missouri the 19th highest, according to the CDC." Locally, Marvia Jones, director of the Kansas City Missouri Health Department, is particularly concerned that mortality and morbidity rates for white women are improving in Kansas City but not rates for women of color, especially Black women.

According to Meg Cunningham with the KC Beacon, "a majority of pregnancy-related deaths in Missouri occur between 43 days and one year postpartum. Advocates and health care professionals say extending Medicaid coverage is one way to help mitigate those deaths." Recent bipartisan efforts in Jefferson City could result in the extension of Medicaid access to mothers after the birth of their children.

## FINANCIAL

April Contribution Income was short of budget by \$19,832 or 6.69%. This month's deficit in contributions has increased the year-to-date shortfall to \$42,869 or 1% of budget. The good news is that Other Income, which includes ministries, program fees, miscellaneous one-time donations, school tuition, registration fees and before/after care fees exceeded budget by \$16,642.

Parish expenses, were under budget this month by \$16,868 due to lower than anticipated facilities and operational expenses. This cost savings reduced the negative variance in Operating Income, leaving the Parish Net Income over budget by \$13,678 for the month.

This month's deficit in contribution income increased the negative variance in year-to-date contribution income to \$42,869 or 1.1%, while Other Income exceeded budget for the year-to-date by \$57,696. This shortfall in contributions reduced our positive year-to-date income from \$18,009 to \$16,868 ahead of budget. Parish Operating Expenses for the year-to-date, however, exceeded budget by 15,657, or 0.4%, driven primarily by higher than anticipated utilities and a variety of unbudgeted facility and maintenance expenditures in both the Church and School. Adding these expense overages to the contribution excess produced a negative variance in Parish Net Income of only \$830 or 0.2% for the year-to-date. Please note that Extraordinary Income, which includes capital improvement fund donations, memorials, wills and bequests are not reflected in our normal operating results and have generated a surplus of over \$304,592 so far this year which will offset the negative variance in Net Operating Income for the fiscal year. Compared to last fiscal year Parish Income shows a surplus of \$14,124, while operating expenses are higher by \$21,749 - creating a negative difference of \$7,625.

Thank you for your continued support.

Sincerely,

Isaac Uzcanga—Business Manager

## SYNOD

There is so much to explore about the Synod on Synodality at [www.synod.va](http://www.synod.va) starting with this infographic about the People of God.

"Synodality is the way of being the Church today according to the will of God, in a dynamic of discerning and listening together to the voice of the Holy Spirit."

Pope Francis

## What defines the People of God?

It is a people that belongs to God. This means that it goes beyond any nation, continent, language, or race:

One is a member by baptism and by living according to the teachings of Jesus and his Church.

Its identity is to be children of God, which gives freedom and grants equal dignity to all.

Its law is the new commandment of love: "You shall love your neighbour as yourself."

Its mission is to be the light of the world by proclaiming Jesus' Good News of love, peace, and fraternity.

Its destiny is to live and implement in their local context a society of justice, joy, peace, love, and mutual respect.
